SPAND-GEL™ HYDROGEL SHEETS

Face masks are an important part of the first line of defense for our health care professionals around the world fighting **COVID-19 virus**. After lengthy shift use of wearing these valuable masks, it often may lead to discomfort and can cause swelling, bruising or contact dermatitis.

Spand-Gel™ Hydrogel Sheets provide immediate relief for pain, soreness, burning & itching. The sheets create a cool, soothing wound-healing environment that does not adhere to tissue.
